

# Swing-Arm Lamp

## Assembly Instructions

For models G2540-B  
G2540-D

### Before You Begin:

- 1** Inspect lamp before beginning assembly. All wire connections have been made at the factory and the lamp is ready for assembly.
- 2** To prevent bad connections, avoid pulling wires when removing contents from package or during installation.
- 3** This lamp uses a medium base bulb. 100w maximum.
- 4** Don't plug cord into electric socket until lamp is fully assembled.

### To Assemble:

- 1** Mount the clamp on a strong surface by screwing the knob tightly.
- 2** Insert the lamp post into the hole of the clamp.
- 3** Screw the shade into the lamp housing. See **Figure 1**.
- 4** Tighten or loosen adjustment knobs for desired arm tension and position.

### To Clean:

Wipe clean with a soft cloth or rag.  
Do not use abrasive polishes or cleaners.
